The 14th and 13th editions of wire and Tube Southeast Asia Asia will be held alongside the inaugural GIFA and METEC Southeast Asia. Together, the four synergistic trade fairs will offer a one-stop global showcase of expertise and technological advancements that leverages on the interdependent affiliations of wire, cable, tube, pipe, foundry technology, casting products, metallurgy, and other related metal processing technology.

Experience the camaraderie amongst metal industry players from the region and around the globe as this year's exhibitor line-up will feature new companies reaching out to their Southeast Asian customers directly for the first-time and stronghold industry leaders in the world of metals.
